Subject: Request for Officers from OPP

Chief,

We are requesting 100 uniform officers, including K9. We are also requesting a compliment of vehicles accompany these officers. Lastly, we are requesting an on-call team for public order that could respond in a timely manner.

Today, the demonstrators at the ambassador bridge location have escalated their activity, including dangerous operation of motor vehicles and attempts to intimidate officers at intervention points by using larger numbers to thwart arrest/contact. The demonstrators are not organized under a single and unified leadership and therefore have intermittently opted to breach negotiated terms in an attempt to escalate and bolster their positions.

The Incident Commanders assigned to this event have a deployment strategy that folds in the additional 100 OPP members to protect the immediate community, provide support to other officers on scene and address disorderly/criminal conduct. We are asking for this deployment allocation as soon as reasonably possible to arrange and assign. Thank-you.
